Name:

Phone Number:

Email Address:

This is the registration form for the Diamond Peaks Ski Patrol Avalanche Level I class. It must be signed and fees paid in full for a person to be officially registered for the class. This form and the associated fee of \$100/person are to be sent to:

DPSP
PO Box 904
LaPorte, CO 80535

These fees are used to cover preparatory expenses prior to the class and are non-refundable. There are two 4 hour classroom sessions and 1 full day field session. The field session requires approximate 5-6 miles of back country travel at high altitude. A student must complete all 3 sessions to receive certification of the National Ski Patrol curriculum of Avalanche Level I.

Due to the inherent dangers associated with winter sports, the Colorado State Forest and Diamond Peaks Ski Patrol require each student to sign liability waiver in order to participate. This waiver will be distributed in the first classroom session.

By signing this form and remitting the course fee you are agreeing to the terms and conditions of the class including mandatory course waiver of liability form.
